OCTOBER 1958

DEAR TROOPS:

HEAR YE!! HEAR YE!

The shouting has died and all that remains of the 11th REUNION is an echo, memories and a good time that was spent in the company of old friends and new friends.

The Friday night Cocktail Party must have been a success because it seems to me that quite a bit of conversation, shall we say, was emanating from Suite 435 after the Terrace Room closed.

The Banquet Saturday night was well attended. Brig. Gen. ELVIN S. LIGON, JR., former CO of the 466th Bomb Group, and now Commanding General of the 3500th USAF Recruiting Wing, gave a wonderful and most informative talk on the "Airman of the Future". It was a most timely speech in this "Age of Space". Quality rather than quantity is the key word in the selection of men and women for today's Air Force.

Miss Terry McDermott of Fairlawn, New Jersey, and M/Sgt. Robert E. Fisher, Air Force Recruiter of the Year, were special guests at the banquet. M/Sgt. Fisher crowned Miss McDermott as "Miss Liberator" on 6 August 1958.

John Paver and George Dikun who have recently visited England were kind enough to tell us about their trips.

After the Banquet, dancing, singing and liquid refreshments were the order of the day. I never did find out who won the "polka" contest, or was it a tie? Don't think they had a song contest but it certainly did sound as though it could have been any club at any base in England during 1943 to 1945. If we aren't careful, we might be dating ourselves. It was fun just the same.

Apart from the fun, we got down to serious business at the Business Meeting. Since the Memorial Fund is well on its way to completion, at least all indications point to its completion within two years, it was decided that we should take up another project. The new project is to be a Second Air Division Scholarship Foundation to be set up to aid the needy children of deceased 2nd Air Division veterans to obtain a bachelors degree in the subject of their choice, and also the college of their choice. As soon as the final plans are completed they will be published in the Newsletter. Meanwhile, the Foundation has already been started with contributions from several of the members. If you would like to help in this worthwhile project, you may do so by sending your check or money order made out to 2ND AIR DIVISION ASSOCIATION to Charles Stine, Treas., 3905 Rauch Street, Harrisburg, Pa. Any amount at all will be a great help. The fund to date has a total of \$50.00.

1959 REUNION

WHERE: Chicago, Illinois

WHEN: 21, 22, & 23 August 1959

WHY: Many factors entered into the selection of Chicago as the Reunion Site for 1959. The results of the questionnaire sent to the membership indicated that the majority could not attend in New Orleans either in August or October. The 1st choice was a tie between Washington, D. C., and Chicago, Illinois, and in all fairness, Chicago was chosen since the last two Reunions had taken place in the East. Hope that this decision has met with your approval and that we'll see you in Chicago.

FOUND: A ladies wool stole in one of the 2 AD rooms after the Reunion. Owner may claim same by writing to Elsa Posner, 7 West 15th Street, New York, on or before 1 November 1958. If it is not claimed, Elsa will include it in her contribution to the "Good Will". So hurry, hurry!!!!

Since publication of the last Newsletter, I have received more information on the Trust Fund which I thought you might be interested in knowing. The following is a special book-plate which was designed by the Board of Governors and is to be placed in all books presented to the Library.

Presented to the
Norwich Public Libraries
in memory of those Americans
who, flying from bases in these parts,
gave their lives defending freedom

1941-1945

The title page of the Roll of Honour states:

SECOND AIR DIVISION U. S. A. F.

ROLL OF HONOR

1941 1945

TO THE GLORY OF GOD AND IN MEMORY
OF AMERICANS OF THE 2ND AIR DIVISION
WHO GAVE THEIR LIVES DEFENDING
FREEDOM

"It is for us, the living, rather,
to be dedicated here to the unfinished
work which they who fought here, have,
thus far, so nobly advanced."

Abraham Lincoln at Gettysburg

After the ceremony, a volume of the Encyclopedia Americana was presented as the first book.

The Eastern Daily Press of Norwich, England, carried extensive coverage of the presentation on both the front and back pages. It also included the telegrams sent by Lt. Gen. W. E. Kepner, Percy Young and Steve Posner.

Tentative plans are in the offing to charter a plane to attend the final dedication ceremonies when the library is completed. All indications are that it will be completed in two (2) years. All former members of 2 AD who would be interested in attending these ceremonies may send their names to me and they will be kept on file for future reference.

"GOOFED" COLUMN

It looks as though I'm going to have to start a "Goofed" Column. However, I shall try to keep it to a minimum. On the other hand, maybe if I "goof up" enough, someone else will take over my job. That's a subject for deep thought. I ask for information and when I get it, can't even put it down right. Can't win for losing!!!! Won't say it isn't hard being Publicity Vice-President, 'cause I'd be lying, but it sure would be a lot easier if you would just drop me a post-card to let me know what is happening to you. I'll tell you what is happening to me. We have nearly finished our "Rec Room" which is called the "Space Room". With my artistic husband you would think it was part of the Hayden Planetarium. We'll have it finished just in time to leave, which we are scheduled to do. After the Reunion in Chicago, we shall be on our way to Command and Staff School at Maxwell AFB, Alabama, that is if Uncle Sam doesn't change his mind between now and then. Until then, I'll be trying to dig information from you. Do you think there's a possibility there?

Now for my "goof". In the first Newsletter, I credited Dean Moyer with two sons and a daughter. Yes, you guessed right. It's the other way around. Two daughters and one son.

Then in the Second Newsletter, I had Carl McClung at McGuire AFB instead of Dover AFB.

I'm doing very well, don't you think boys?

We missed you at the Reunion. In fact, we missed a lot of you and hope you will be able to make it to Chicago next year. Wish I could let you all take a peek at the booklet that "Jackie" Turchet sent me of beautiful Santa Cruz County. If you're ever traveling on Route 4 in Santa Cruz, stop at the "Little Gals Drive In". Jackie would love to see you.

Plans are in the process of being completed for a new Wing to be formed in California. Am hoping that they will be completed in time for the next Newsletter which is due out the last of December. In the meantime, if any of you Californians are interested in helping get this Wing started please contact Edward M. Hunton, 434 Keats Avenue, Clovis, California, and let him know what you would like to do. It takes a lot of workers, so let's get busy. This Wing will include the following states: Oregon, Washington, Nevada, Utah, Idaho and Arizona. If any other states are interested, please let us know.

MID-ATLANTIC WING

The Mid-Atlantic Wing was granted its charter by the 2nd Air Division Association and their second quarterly meeting was held on 10 November 1956. If you are presently living in the following states you may apply for membership by contacting John P. Watson, Box 110, Manor Road, Glenarm, Maryland; Pennsylvania, New Jersey, Maryland, Delaware, New York, Virginia or the District of Columbia. Say, John, how about some info on your Wing-Dings? Understand that your last one was quite some affair.
